DIRECTOR, FBI (164-2111)  
ATTENTION: LABORATORY

2/24/72

SAC, PORTLAND (164-41)(P)

NORJAK

Enclosed herewith for the Laboratory is the man's narrow black necktie with attached tie clip which was found by Las Vegas Agents in hijacked aircraft in this matter and which was believed worn by Unsub.

Enclosures have been displayed to J.C. Penney Co., store personnel at Las Vegas, Nevada, and Portland, Oregon. All personnel contacted uniformly agree that the tie, which bore the "Towncraft" label, exclusive with Penney's, could not have been sold at any time in the recent past. At Las Vegas, the most recent sales of such ties were estimated at one and one-half years ago, and at Portland, three years ago. None of the persons contacted were able to offer any suggestions as to how the purchaser of the tie might possibly be traced.

REQUEST OF THE BUREAU

FBI LABORATORY

Enclosure should be examined to determine whether it bears any traces of identifiable body secretions, hairs, stains, etc., which may be of help in this investigation. Upon conclusion of the examination, enclosure should be forwarded to Seattle by registered mail.

CSO [REDACTED] and a friend, CSO [REDACTED] also from [REDACTED], were talking to her about the recent hijackings and [REDACTED] told her he was a pilot. In the conversation that followed, [REDACTED] stated to her and [REDACTED] that the way to hijack a plane and escape would be to bail out using a parachute. He also stated that he could not wait to get back to the wilds of Oregon. I asked [REDACTED] if she had mentioned this to anyone else and she stated that she had talked to a Colonel several weeks before. I told [REDACTED] not to divulge any additional information concerning the incident.

*RE: MARVIN JOHN COOPER*

Enclosed for Seattle and Portland is one xerox copy each of a photo of MARVIN JOHN COOPER.

On 3/6/72, as a result of being contacted on another investigative matter, [redacted] Escondido, California, furnished the following information to SA DONALD R. BELMONT:

b6 b7C

When he heard the news of captioned hijacking, and the fact that it occurred in the Oregon area and the hijacker used the name COOPER, he immediately thought of [redacted] MARVIN JOHN COOPER, who was last known to be in Portland, Oregon. He has no information that [redacted] was the hijacker, nor has he any particular reason to believe [redacted] could be the hijacker; however, the locality of the hijacking and the same last name, together with the fact that [redacted] has been treated for a "mental disturbance" in the past, caused him to wonder about the possibility.

[ ] confirmed above description of MARVIN but stated last time he saw him his hair was graying on sides and getting thin on top. Stated MARVIN wore glasses sometimes but now always, and usually wore a mustache to cover a cut scar on upper lip. Never knew him to smoke Raleigh cigarettes, stating he was a heavy cigar smoker. Stated MARVIN's complexion might be considered dark, or olive, as he tans easily.

b6 b7C

[ ] has no knowledge that MARVIN has ever had any training in flying or parachute jumping. Stated at one time, while he and MARVIN were still in furniture business in [ ], Colorado, they had planned to take flying lessons but this never materialized, while they were together. Stated MARVIN served in Merchant Marine during World War II, and suffered a broken back during this service. Does not know if MARVIN now suffers any after-effects.

b6 b7C

[ ] advised that to date, he has been unable to locate the name of the furniture store in Portland, in which MARVIN was seen working by [ ], nor does he still have the address seen [ ] for MARVIN J. COOPER in the Portland directory. Does not know the address of [ ] (PH) in [ ] Washington, and does not know the last name or address of [ ]

b6 b7C

[ ] stated that after viewing the artist's sketch he does not believe the Unsub is [ ] if this is a close portrayal of the Unsub. He stated, however, that it would not surprise him to learn of [ ] being involved in something like this in view of his past mental disturbance and his unpredictable nature.

b6 b7C

[ ] stated in the event the FBI does conduct investigation concerning [ ] and eliminates him as a suspect, he would appreciate it if he could be advised of [ ] address. He stated he felt this would alleviate the worry [ ] concerning [ ] welfare.

The above information is being furnished for the consideration of the Seattle and Portland offices, for whatever action is deemed appropriate.

On 3/20/72, [REDACTED]  
Portland, Oregon, [REDACTED], telephonically contacted  
the Portland Office to furnish the following informa-  
tion:

b6 b7C

[REDACTED] a meeting of [REDACTED]

at which function the topic of speeches presented was  
airplane "skyjacking". One of the speakers [REDACTED]

b6 b7C

[REDACTED] stated that approximately  
3 weeks after the C.B. COOPER hyjacking, a retired en-  
gineer (name not revealed), residing on a farm at Amboy,  
Washington, began investing large amounts of cash in  
municipal bonds. [REDACTED] indicated that bond purchases

b6 b7C

On 3/21/72, telephonic contact was made with [REDACTED]  
[REDACTED], tele-  
phone [REDACTED], for the purpose of arranging an interview.

[REDACTED] inquired as to the nature of the infor-  
mation sought, and when advised, related as follows:

b6 b7C

He is [REDACTED], and attended an  
evening meeting on [REDACTED]. One phase of the meeting con-  
cerned itself with [REDACTED], at which time each person  
in attendance speaks for a very brief, timed period on a  
designated topic which has not previously been announced.  
The topic on this occasion was what a person would do with  
the money if he had been "D.B. COOPER", the allegedly suc-  
cessful skyjacker.

b6 b7C

When [REDACTED] spoke, he created a fictitious person  
who he related invested \$200,000 in blocks of \$20,000 at a  
time in municipal bonds. To achieve convincing effect, he  
had the person reside in the Amboy, Washington area which is  
near the point at which the Unsub in this matter parachuted.  
[REDACTED] emphasized that the above anecdote is entirely false,  
and that he has no actual information indicating any possible  
suspects in this matter. He expressed complete cooperation  
with the Bureau in any matters, and promised to notify this  
office of any pertinent information which he may receive.

AT EUGENE, OREGON

On March 14, 1972, [REDACTED]  
[REDACTED] telephone number [REDACTED], Eugene, Oregon, advised  
that he has been acquainted with MERLIN GENE COOPER  
for approximately [REDACTED] years. [REDACTED] stated that COOPER  
has worked for him in the past and in his opinion  
COOPER is a "no account bumb, who has never held a job  
for any length of time in his life." [REDACTED] advised that  
when COOPER is in the Eugene, Oregon, area he usually  
stops by and visits with [REDACTED].  
[REDACTED] further stated that he last saw COOPER approximately  
[REDACTED] and was very surprised at the change in  
COOPER. [REDACTED] stated that COOPER has spent most of his  
life working in low paying, laboring type jobs and spends  
just about everything he makes drinking and running around  
town. When COOPER arrived at [REDACTED], approximately  
[REDACTED], he was driving a new Oldsmobile Toronado,  
car and had a great deal of money in his possession. When  
[REDACTED] commented on how well COOPER seemed to be doing  
COOPER said that his grandmother had died recently and left  
him a great deal of money. COOPER also told [REDACTED] that he  
has recently purchased in conjunction with another individual  
a large farm near Prineville, Oregon, and this is where he  
is residing. [REDACTED] continued to make inquiries concerning  
the source of COOPER's funds, but COOPER would not comment  
any further than saying that his grandmother had died and  
left him the money. [REDACTED] stated that he has not seen a  
great deal of COOPER in the past six months and could not  
accurately comment on his whereabouts during November of  
1971. [REDACTED] did state, however, that he knew that COOPER  
had been in a hospital in Walla Walla, Washington during  
December of 1971, but he did not know the nature of COOPER's  
illness.

# 'Cavalry called into hunt for hijacker Cooper

An intensive search connected with the Nov. 24 disappearance of a skyjacker-parachutist identified as Dan Cooper is being carried out from the Merwin Dam area southeast of Kelso, Wash., by Army troops from Ft. Lewis, Wash., and FBI agents.

Portland and Seattle FBI offices refused to confirm or deny the intent of the search, and would not say whether they had new information on Cooper and the \$200,000 he took with him.

Merwin Dam area residents said agents are housed in Kelso and Longview, Wash., and that the troops are from the 3rd Armored Cavalry Regiment, at Ft. Lewis.

The troops appeared Monday. Area residents said they were told Merwin Park would be blocked off for the rest of the week.

Residents said a pass was required to enter the park, which is in the area

where the skyjacker is presumed to have vanished, taking \$200,000 in ransom money with him.

The Northwest Airlines 727 jet was commandeered between Portland and Seattle last November. The skyjacker picked up the money and two parachutes in Seattle, and is believed to have bailed out of the jet over Southwest Washington in the area now being searched.

A long search after the incident turned up nothing.

Some 200 troops and an unspecified number of helicopters are in the area, a Ft. Lewis spokesman said.

The troops are headquartered at Camp Bonneville, 15 miles northeast of Vancouver. The helicopters are operating from Merwin Park.

Residents in the area said FBI agents had been coming around asking for permission to search the premises and land for "a satchel, brief case, parachute and person of Dan Cooper."

Outbuildings have been searched, but apparently the search of wooded areas is just getting under way. The first contingent of FBI men was on the scene at least as early as Saturday.

An Oregonian reporter found the entrance to Merwin Park guarded by the FBI Tuesday night, and was refused admittance. He was able to discern at least nine helicopters parked there.

A [redacted], Salem, Oregon, telephone [redacted], called ASAC PAUL R. BIBLER of this office, at his home on 3/24/72. She stated that she had hiked up into the hills, about 11 miles east of Lebanon, Oregon, on some property owned by Georgia Pacific. As she approached the area where an old mill formerly stood, she saw some fresh cut daffodils. Subsequently she found a place where a creek had been dammed and a very small tent had been erected, partially hidden by some cedar trees. She observed a sleeping bag and a three pound coffee can and got the impression that this camp had been there for some time. She said the area is not a camp site and no one should be camping there and she thought of the fugitive in this case.

It is suggested Portland reinterview her to determine if there is any reason to feel the camp she saw is connected with this situation and if necessary, check out the occupant of the camp.

She had asked the OSP to accompany her because on the first visit she had observed a tent and bits of paraphernalia to indicate someone was living at the abandoned home site. The land is presently owned by the Georgia Pacific Company, and you are supposed to have permission before you can enter the area. Lieutenant [redacted] said that his men had surmised that the camp site belonged to students on spring vacation. There was no indication whatsoever to indicate that the individual was a fugitive from justice, or involved in any illegal activities, and the camp site had definitely been set up within a week or ten days. UAF CASE, SPECIFIC TYPEWRITTEN INSTRUCTIONS GIVEN FOR UAL TO HAVE FIVE HUNDRED THOUSAND DOLLARS IN VARIOUS DENOMINATIONS, TWO BACK AND TWO FRONT PARACHUTES OF A SPECIFIC MANUFACTURE AND LOCATION WHERE THEY COULD BE OBTAINED AT SAN FRANCISCO, THAT FUEL TRUCK WITH SIX HOURS FUEL AND TWO MEN ON TRUCK BE AVAILABLE; THAT ALL VEHICLES BE ONE HUNDRED FEET FROM NOSE OF AIRCRAFT ON LEFT SIDE, AND THAT CAPTAIN OF HIJACKED PLANE USE RUNWAY NINETEEN LEFT AT SAN FRANCISCO INTERNATIONAL AIRPORT.

IN JORJAK, PASSENGERS WERE DEPLANED AND ONE STEWARDESS AND THREE MALE FLIGHT CREW MEMBERS REMAINED ON BOARD. IN UAL, ALL PASSENGERS DEPLANED, TWO STEWARDESSES AND THREE FLIGHT CREW PERSONNEL REMAINED ON BOARD.

NORJAK CASE, HIJACKER INSTRUCTED HE BE FLOWN TO MEXICO CITY,

INSTRUCTING PILOT TO FLY AT NOT MORE THAN TEN THOUSAND FEET, WITH FLAPS AT FIFTEEN DEGREES, THE LANDING GEAR DOWN AND REAR STEPS OF PLANE ALSO DOWN, PLANE INVOLVED BEING BOEING SEVEN TWO SEVEN, A TRI-JET, WITH STAIRS AT REAR. HIJACKER FINALLY AGREED TO HAVING STEPS RAISED. (IT IS NOTED BOEING SEVEN TWO SEVEN AIRCRAFT UNABLE TO TAKE OFF WITH STAIRS IN LOWERED POSITION. HOWEVER IN ORDER FOR STAIRS TO BE LOWERED IN FLIGHT, IT IS NECESSARY THAT REAR PRESSURED DOOR BE IN OPEN POSITION ON TAKE-OFF.)

CONTINUING IN NORJAK, STEWARDESS REMAINED IN CABIN WITH HIJACKER, AND HIJACKER HAD STEWARDESS SHOW HIM HOW TO LOWER STEPS AND ORDERED HER TO GO TO FIRST-CLASS SECTION. UAL CASE, HIJACKER ORDERED STEWARDESS TO GO TO FRONT SECTION OF PLANE AND DID NOT REQUIRE INSTRUCTIONS AS TO HOW TO OPERATE LOWERING MECHANISM OF REAR STAIRS.

NORJAK CASE, PLANE CAPTAIN IN CONTACT WITH HIJACKER BY INTER-COM AND JUST PRIOR TO FINAL COMMUNICATION WITH HIJACKER, CAPTAIN HAD SIGNAL INDICATING STAIRS HAD BEEN LOWERED.

UAL CASE, PLANE CREW ON OXYGEN FLYING AT SIXTEEN THOUSAND

NORJAK CASE, BOEING SEVEN TWO SEVEN FLYING AT ONE HUNDRED SEVENTY KNOTS. UAL CASE, BOEING SEVEN TWO SEVEN FLYING AT ONE HUNDRED EIGHTY KNOTS, WHICH APPROXIMATES TWO HUNDRED MILES PER HOUR OR THREE MILES PER MINUTE, AT INSTRUCTION OF HIJACKER.

NORJAK CASE, TWO PARACHUTES REMAINED ON AIRCRAFT WHEN IT ARRIVED RENO, NEVADA, ONE OF WHICH WAS OPEN AND THREE SHROUD LINES HAD BEEN CUT AND REMOVED FROM PARACHUTE, PRESUMABLY TO TIE RANSOM MONEY PACKAGE TO HIJACKER. UAL CASE, HIJACKER JETTISONED ONE, TWO OR THREE PARACHUTES IN NEVADA, AT LEAST ONE CONTAINING HOMING DEVICE AND HAD ROPE OR HARNESS IN HIS POSSESSION TO FASTEN MONEY AND EQUIPMENT TO HIM. IN UAL CASE ROPE WAS NINETEEN FEET LONG, WITH EYE GROMMETS. IN INTERVIEW OF LOCAL NATIONAL GUARD PARACHUTE JUMPER, HE INDICATED IT IS STANDARD OPERATING PROCEDURE IN NATIONAL GUARD UNITS TO HAVE "H" HARNESS WITH WHICH EQUIPMENT PACKAGE IS STRAPPED TO BODY. APPROXIMATELY TWENTY-FOOT ROPE IS FASTENED TO HARNESS AND EQUIPMENT PACKAGE, AND AFTER PARACHUTE IS OPENED, JUMPER

PHYSICAL DESCRIPTION IN BOTH CASES IS REMARKABLY SIMILAR. IN NORJAK CASE, SUBJECT IS DESCRIBED AS POSSIBLY IN MID-FORTIES, AND PERSONAL OBSERVATION OF SUBJECT, AGE TWENTY-NINE, GIVES IMMEDIATE IMPRESSION OF POSSIBLY FTM. COMPARE PHOTOGRAPH OF NORJAK SUBJECT BEARS STRONG RESEMBLANCE, PARTICULARLY HAIRLINE, HAIR PART, SHAPE OF FACE AND NOSE. IN NORJAK CASE, WITNESSES DESCRIBED SUBJECT'S COMPLEXION AS OLIVE, LATIN APPEARANCE, MEDIUM SMOOTH. IN UAL CASE, WITNESSES LIKEWISE DESCRIBED SUBJECT AS OF DARK COMPLEXION, POSSIBLY MEXICAN, BELIEVED DUE TO MAKE UP. IN NORJAK CASE, SUBJECT DESCRIBED AS HAVING SIDEBURNS AT LOW EAR LEVEL. SUBJECT IN UAL CASE UPON ARREST HAS SIDEBURNS TO BOTTOM LOBE OF EAR. IN NORJAK CASE, WITNESSES STATED VOICE HAD NO PARTICULAR ACCENT, POSSIBLY FROM MID-WEST SECTION OF U.S. IN UAL CASE,

SU 164-24

PAGE SIX

WITNESSES DESCRIBED SUBJECT'S VOICE AS NORMAL AND DID NOT REFER TO ANY ACCENT OF ANY TYPE.

IN NORJAK CASE, UNSUB DESCRIBED AS HEAVY SMOKER OF RALEIGH FILTER TIP CIGARETTES. IN UAL CASE, SUBJECT BROUGHT SUPPLY OF CANDY AND CONTINUALLY EATING CANDY DURING FLIGHT. IT IS NOTED UAL INVESTIGATION HAS NOT INDICATED UAL SUBJECT SMOKES; HOWEVER IS FROM RALEIGH, NORTH CAROLINA. CANDY COULD BE SUBSTITUTE FOR CIGARETTES; HOWEVER SUBJECT IN EACH CASE OBVIOUSLY NERVOUS.

IN UAL CASE, THERE IS OBVIOUS EVIDENCE SUBJECT ATTEMPTED TO DISGUISE HIMSELF AFTER BOARDING PLANE, IN THAT HE ON TWO OCCASIONS SPENT EXTENDED PERIODS IN LAVATORY AND EMERGED WITH BLACK HAIR WIG AND FALSE MUSTACHE.

NORJAK CASE, SUBJECT DURING LATTER PART OF FLIGHT PUT ON DARK WRAP-AROUND SUNGLASSES, WITH DARK RIMS. UAL CASE, SUBJECT BOARDED PLANE WITH MIRROR TYPE SUNGLASSES.

IN NORJAK CASE, SUBJECT BELIEVED TO HAVE DEPARTED PLANE IN AREA CONTAINING A NOTICEABLE BEACON AND FARM LAND. IN UAL CASE, SUBJECT DEPARTED PLANE SHORTLY AFTER HEADING EAST OF UTAH LAKE

IN NORJAK CASE, UNSUB VERY INSISTENT UPON RETRIEVING INSTRUCTIONS AFTER READING BY PILOT. IN UAL CASE, SUBJECT LIKEWISE INSISTENT UPON RETRIEVING INSTRUCTIONS. ADVANCE PREPARATION OF FLIGHT PLAN INSTRUCTIONS IN UAL CASE COULD LOGICALLY REPRESENT REFINEMENT OF M.O.

INTERVIEW OF SISTER-IN-LAW OF UAL SUBJECT INDICATES SUBJECT HAD ADVISED HER THAT IF HE WERE EVER TO BE INVOLVED IN HIJACKING, HE WOULD NOT SPEND ANY OF HIJACKED LOOT FOR MANY YEARS BECAUSE IT WOULD BE MARKED WITH SUBSTANCE THAT WOULD BE VISIBLE BY USE OF AN ULTRAVIOLET LIGHT AND HE WOULD NOT SPENDSANY OF THE MONEY FOR MANY YEARS BECAUSE HE BELIEVED HE COULD NOT BE PROSECUTED AFTER SEVEN YEARS FOLLOWING THE CRIME.

INTERVIEWS OF ACQUAINTANCES OF SUBJECT IN UAL CASE INDICATE SUBJECT OBSESSED WITH IDEA OF HIJACKING AND CONTINUALLY BROUGHT UP DISCUSSIONS WHEREIN HE ATTEMPTED TO OBTAIN OPINIONS AS TO WHAT THE OTHER HIJACKERS HAD DONE WRONG IN THEIR OPERATION. THESE ACQUAINTANCES DESCRIBED SUBJECT IN UAL CASE AS NOT PARTICULARLY EXPERT

IT IS NOTED THAT IN SEARCH OF UAL SUBJECT'S VEHICLE, HE HAD NEWSPAPER ARTICLE CONCERNING UAL HIJACKING IN CAR, AND IT IS FURTHER NOTED THAT SEARCH OF SUBJECT'S RESIDENCE DISCOVERED FILE OF NEWSPAPER CLIPPINGS CONCERNING NORJAK CASE.

SU IS ATTEMPTING TO ESTABLISH WHEREABOUTS OF UAL SUBJECT NOVEMBER TWENTY-FOUR LAST AND PERIODS IMMEDIATELY PRIOR THERETO.

BANK ACCOUNT RECORDS HAVE BEEN LOCATED AND WILL BE MADE AVAILABLE APRIL TWELVE NEXT.

INSTRUCTORS AT BRIGHAM YOUNG UNIVERSITY (BYU) ADVISED ATTENDANCE RECORDS NOT KEPT AND THREE INSTRUCTORS RECALLED PERIODS OF ABSENCE DURING AUTUMN SEMESTER, NINETEEN SEVENTY-ONE, WHICH COULD POSSIBLY BE DURING PERTINENT PERIOD. HOWEVER, NO SPECIFIC INFORMATION DEVELOPED THESE SOURCES.

[redacted] Trans World Airlines (TWA), made available the personnel file on their Purser, FRED ANGELO CATALANO, and this file revealed the following information:

b6  
b7C

CATALANO was hired at Los Angeles in May 1962, as a cabin cleaner and helper. He later was transferred to John F. Kennedy Airport, New York City, New York, as a Purser aboard their new Boeing 747 type of aircraft. As that program expanded, CATALANO was later transferred back to Los Angeles where he now flies as a Purser to the Far East.

Although CATALANO is officially based at Los Angeles, he is currently residing at 1074 Barstow Avenue, Eugene, Oregon, 97402, telephone 503-689-3860.

CATALANO is considered a "rebel" by airline supervisors and will not follow airline rules and regulations. He has been suspended many times for breaking these rules and regulations. TWA was advised that CATALANO owed money on his California State and Federal income taxes. He was frequently short on his cash accounts for liquor and head sets on the plane, and failed to hand in proper reports. Attached is a list of some of the discrepancies noted in his work.

[redacted] made available a copy of CATALANO's employment application, his resume, a photograph and fingerprint card.

b6  
b7C

CATALANO is on vacation from March 1, 1972, to March 15, 1972. His whereabouts is not known to TWA. His next scheduled flight will be TWA Flight 743 on March 20, 1972, from Los Angeles to Bangkok, returning to Los Angeles on TWA Flight 742 on March 27, 1972.

It is noted that CATALANO's parents are Mr. and Mrs. FRED CATALANO, 8403 12th Avenue, Brooklyn, New York. He has a

using company passes or reduced rate tickets since August 25, 1971, for a flight from Los Angeles to Eugene, Oregon.

As a matter of information, [ ] advised that records show that CATALANO returned to Los Angeles at about 9:30 p.m., on November 22, 1971, on TWA Flight 742 from Bangkok. He left Los Angeles at 11:00 a.m., on November 28, 1971, aboard TWA Flight 745 for Bangkok.

It is noted in the file that CATALANO was taking flying lessons and hoped to get a Commerical Pilot's License and fly as a pilot for TWA. It could not be determined the exact status of his pilot training at this time.

It was not carried in the file as to the type of training that CATALANO had in the United States Army.

## BANK ROBBERY SUSPECTS PROGRAM

On 4/18/72, at 7:50 a.m., Bureau Supervisor HOWARD W. ARENDT, telephonically advised Bureau is in receipt of a letter from [redacted], Oregon [redacted].

b6  
b7C

[redacted], in his letter to the Director, stated he placed a long distance call to the Portland Office 4/10/72, and spoke first to an individual named [redacted] and then to an Agent named [redacted]. He claimed he advised SA [redacted] an individual [redacted] and this individual, not otherwise identified, was displaying a large number of \$20 bills. He allegedly made the claim to [redacted] that he was formerly a paratrooper. He paid [redacted] [redacted] added this individual met the description of DAN COOPER.

b6  
b7C

Foregoing telephonically furnished SA [redacted] Salem RA, who stated he previously received similar information from SA RALPH P. HIMMELSBACH under the Bank Robbery Suspects Program. SA [redacted] was instructed, in view of the [redacted] letter to the Director, to promptly contact [redacted] and resolve all aspects of this matter.

b6  
b7C

SA HIMMELSBACH acknowledged he had taken the original call from [redacted], who told a rambling, barely coherent story very much in conformity with the foregoing. However, SA HIMMELSBACH had the distinct impression the individual with whom he conversed was intoxicated and it was very difficult to elicit any pertinent information. SA HIMMELSBACH recalled the description furnished by [redacted] of the unsub did not in any way match the description of DAN COOPER.

Q40 Envelope postmarked "JACKSONVILLE FLA. MAR 28 5 PM 1972" bearing typewritten address "The Portland Oregonian Newspaper Portland, Oregon"

Q41 Accompanying one-page letter dated 3/28/72, beginning "This letter is too..." and ending "A Rich Man"

## Result of examination:

No indented writing was found on Q40 and Q41. No watermarks were found on Q40.

The watermark "Millers Falls Ezerase Cotton Content" appears on Q41. This is a watermark of the Millers Falls Paper Company, Millers Falls, Massachusetts 01349.

Due to the vast discrepancy between the description supplied for [redacted] and the EDRIAK Unsub, a new bank robbery suspects program case was opened in the Portland Division and investigation initiated in that regard.

On 4/18/72, [redacted] was contacted at [redacted] Oregon, by SA [redacted]. At this time [redacted] supplied an identical description of [redacted] as set forth above. She again advised that [redacted] was definitely no more than 5'4" in height and weighed approximately 125 pounds. She advised that [redacted] contact to her that he had been a paratrooper while in the Armed Forces from 1945 to 1947, made her suspect that he could possibly have been the EDRIAK Unsub.

b6

After advising of the above, [redacted] was displayed an artist's sketch of the EDRIAK Unsub. She advised that [redacted] facial characteristics are similar, however, [redacted] could not possibly be identical with DAN COOPER due to the extreme difference in height and weight.

b6

Due to the above, unless advised to the contrary by the Bureau, no further investigation will be conducted regarding [redacted] as the EDRIAK Unsub. However, investigation will continue in the Portland Division concerning [redacted] under the bank robbery suspects program.

For consideration of the Bureau, it is noted that the Nation of Liberia, in Africa, utilizes as its legal tender currency of the United States. It would appear that any person wishing to exchange a quantity of U. S. currency in such a manner as to avoid connection with a crime through identifiable funds could do so there with a minimum of exposure. Accordingly, it is suggested the Bureau may wish to disseminate the ransom money list in this matter to appropriate Liberian authorities through liaison channels.

serial numbers L 54904730 A, L 33529797 A and L 20168977 A

ALSO SUBMITTED: Three photocopies made from microfilm of  
ransom bills bearing serial numbers  
L 54904730 A, L 33529797 A and L 20168977 A

## Result of examination:

The bills represented by Q43 were compared with corresponding bills represented by K4. In the comparison, photographic overlays of the Q43 bills showed the serial numbers on these bills to be out of register with the serial numbers on the K4 bills.

The examination definitely determined that the Q43 bills are not a part of the ransom money represented by the K4 microfilm.

K4 is returned herewith. Appropriate photographs made from K4 and the ALSO SUBMITTED items are retained.

Appropriate checks of applications for Air Travel Life Insurance with respective telephone books, city directories, and crisscross directories met with no conclusive results. The applications were made at the Portland International Airport, Portland, on November 23, 1971, and November 24, 1971. Numerous names were not located in the Portland city directories as their residences were located outside the Portland metropolitan area.

It is noted that a number of insurance applications showed flights which have destinations other than those on the route of Northwest Airlines Flight #305.

[redacted] who resides in [redacted] [redacted], advised telephonically that he had been contacted by a "Newsweek" magazine reporter whose name was [redacted] regarding the hijacking which occurred on Northwest Airlines in November, 1971. [redacted] provided the following information:

b6

[redacted] called him long-distance and asked if he would be available for an interview at 2 a.m. on April 22, 1972. [redacted] replied to [redacted] that he would be awake and up and would be available for the interview. [redacted] arrived at [redacted] and pulled out a photograph. [redacted] looked at the photograph and thought to himself that the individual depicted in the photograph looked very much like the hijacker of the Northwest Airlines plane. [redacted] said that he did not tell [redacted] his thoughts about the man in the photograph being the hijacker. He told [redacted] that it has been a very long time and he has been shown numerous photographs and his memory has faded and he could not determine if the man in the photograph was the hijacker.

b6  
b7C

[redacted] said the photograph was of a white male wearing a tie and a sweater or suit coat. The individual was wearing sunglasses with wire-rim frames. The individual was on a street and appeared to be walking toward a sidewalk. The man's hands were folded in front of him and out of sight in the photograph. [redacted] received the impression that the man may have been handcuffed but did not see any handcuffs in the photograph. He noted that the license plates of vehicles in the pictures and names of stores in the picture had been smeared in order to prevent identification of the location of the scene.

[redacted] was contacted personally and interviewed in a Bureau car [redacted]. He was shown 12 photographs of white male individuals. He picked one photograph from the group and stated that this individual appeared to look most like the hijacker of the Northwest Airlines plane in November, 1971, than any of the other individuals in the group.

b6  
b7C

The photograph which [redacted] picked shows a white male wearing a sport coat and sport shirt with no tie, sunglasses and a black and white knit cap. [redacted] advised that he could not identify or eliminate this individual as being the hijacker without seeing more of his forehead; however, the individual looks more like the ~~hijacker~~ than any other individual in the group of photographs.

[redacted] was contacted at his residence, [redacted], about 1:30 a.m. He was shown photographs of eleven white male individuals. He picked one photograph of a white male and provided the following information:

b6  
b7C

The photograph which he picked was a white male dressed in a tie and sweater, wearing sunglasses with wire rims. The individual is standing in front of a vehicle and is in a street scene. The individual's hands are out of sight in the photograph and appear to be in front of him.

[redacted] said that this is the same photograph which was shown to him at 2 a.m. on April 22, 1972, by [redacted] "Newsweek" magazine. He said that the individual in the photograph appears to be very much like the hijacker of the Northwest Airlines plane in November, 1971.

b6  
b7C

[redacted] explained that the points of identification he used were the man's mouth, which is identical to the hijacker, and the man's chin and neck which are very much like the hijacker's. He remembers the hijacker's nose and ears to be average and the individual's nose and ears in the photograph are average.

b6  
b7C

When he was interviewed by [redacted] "Newsweek" magazine, [redacted] popped out of his briefcase an 8" x 10" photograph of the same picture. When he had made the appointment to see [redacted] did not mention that he would be showing a photograph. When he popped out the photograph, [redacted] stated [redacted] said that he has been shown at least 500 different photographs and because of the time lapse he could not be sure if this was the hijacker. He told [redacted] that the mouth of the man in the photograph appeared similar to the hijacker's mouth. He did not give [redacted] a positive, affirmative answer as he has given to Agents of the FBI as to his identification of the photograph being the hijacker.

He picked a photograph of a white male wearing sunglasses, sweater, dress shirt and tie and bald as being an individual who looks very much like the hijacker. He advised that this individual's mouth, nose, ears and shape of face are identical to the hijacker.

He advised that the photograph he was shown by the FBI on April 22, 1972, at 1:30 a.m., of a white male standing in front of some stores and in a street scene is the photograph he feels best resembles the hijacker. In this other photograph he was able to see the individual's neck which he also uses as a point of identification.

Re: NORJAK

Lab. No. D-720502001 LL

Specimens received 4/29/72, from FBI, Seattle:

K5 Interrogation; Advice of Rights form dated 4/26/72 signed [redacted] b6 b7C

ALSO SUBMITTED: Major case prints of DONALD SYLVESTER MURPHY

Specimens received 5/1/72, from FBI, Atlanta:

Q46 [redacted] b6 b7C

Q47 [redacted]

## Result of examination:

It was not determined whether any of the questioned writing on Q46 and Q47 was prepared by [redacted] whose known signatures appear on K5 and on a fingerprint card under [redacted]. A conclusion could not be reached in this regard because the known handwriting of [redacted] available for comparison is not sufficiently adequate to permit a satisfactory examination. b6 b7C

No evidence of alteration was found in the [redacted] typewritten amount on Q47 or the [redacted] handwritten amount on Q46. However, the possibility that additional zeros could have been added to these figures after the initial preparation of these documents could not be eliminated. b6 b7C

K5 is returned herewith to Seattle. Q46 and Q47 are being returned to Atlanta with copies of this report. Photographs of these specimens are retained. The disposition of the ALSO SUBMITTED material will be furnished separately. 164-41-1012

Gentlemen:

As long as there has been one sky-jacker from Coos County, Oregon already apprehended (Korkow), we might as well see whether we have "D. B. Cooper" around here too.

There is a young man named [redacted]  
[redacted], Oregon, who let it be known last November that he had \$200,000; he definitely came into some money, [redacted]

[redacted], Oregon, [redacted]  
[redacted], who had recently gone broke in this kind of work in Oregon. Other than the fact that these are ordinary people with an extraordinary amount of money all of a sudden, I have no reason to suspect [redacted] and no way to prove myself right or wrong without invading his privacy if in fact I could even do that. These people are acquaintances, not close friends, but I would be in trouble whether right or wrong in this matter, if word came out that I thought of wrong-doing in this connection, so please protect me.

[redacted] are both young enough men to be able to have used parachutes and planes in the Service.

This "hunch" has been bothering me for some time and I hope I'm wrong.

Very truly yours,

[redacted]
